

Siddhant Jain

About Me

Motivated Grade 9 student with a strong interest in technology, graphic design, video editing, marketing, entrepreneurship, and engineering. Passionate about learning new skills, taking on creative projects, and gaining real-world experience. Experienced with Adobe Photoshop, Illustrator, Premiere Pro, and a plethora of AI softwares with a focus on continuously improving creative and technical abilities. Creative, hardworking, and eager to take initiative, collaborate with others, and turn ideas into meaningful projects.
